## Sponsorship Packages

Lawyers for the Arts is a fundraising event supporting Arts Services Inc.'s Give for Greatness grant, where legal experts showcase their musical talents to honor the vibrant arts and culture scene in our region. This program provides essential operating funds to small and medium-sized arts organizations in Western New York. In 2024, we proudly raised over \$43,000 for this important cause. Join us in continuing this impactful work—explore our sponsorship packages and make a difference today!
